SAMPLE CONTRACT

PLEASE READ THIS DOCUMENT CAREFULLY. YOU MUST NOTIFY HOME SECURITY OF AMERICA, INC. (HSA) PRIOR TO ACTUAL COMMENCEMENT OF REPAIR OR REPLACEMENT.

TO REPORT ALL CLAIMS: Call HSA at 1-800-367-1448. Fax service invoices to 1-800-329-2478.

The aggregate coverage under this agreement is limited to \$25,000.00; with a \$5,000.00 per mechanical system sub-limit, unless a lower per occurrence sub-limit or lower aggregate sub-limit is specifically enumerated elsewhere in this agreement. Certain items and events are not covered by this contract. Please refer to Section F. Limitations of Liability and to the exclusions listed in each applicable section of this contract.

A. Coverage

1. HSA will provide home protection coverage for authorized repair or replacement of "Component Parts" mentioned as covered in accordance with the terms and conditions of this contract that fail due to "Operational Failure." HSA will cover "Loss" so long as the "Component Parts":

A. Are located within the "Interior" of the main foundation of the home or attached or detached garage (except for the exterior well pump, septic system, condensing unit and pool/spa equipment).

B. Are properly installed throughout the term of this contract for proper diagnosis.

C. Become inoperative due to normal wear and tear.

C.1. HSA will provide coverage for systems and appliances which malfunction due to lack of maintenance, rust or corrosion if the defect or mechanical failure would have otherwise been covered. Coverage is only provided for mechanical failures which occur and are reported to HSA during the term of this contract.

D. Are in "Proper Working Order" on the effective date of this contract.

2. This contract covers single-family resale homes and condominium or town house units. Multi-family homes up to and including eight (8) family dwelling units may be covered if applied for and the appropriate fee is paid. Multiple-family homes qualify for listing coverage; however, coverage is limited to the owner-occupied unit, tenant occupied properties are not eligible for coverage during the listing period. Coverage is for owned or rented residential property and excludes commercial property or residences used as businesses, including but not limited to, day care centers, fraternity/sorority houses and nursing/care homes.

3. Coverage includes only the items stated as covered and excludes all others. Items listed as Not Covered are intended as examples of the types of items excluded from warranty coverage. They are not completely inclusive of all systems and appliances excluded from coverage. Coverage is subject to limitations and conditions specified in this contract. Please read the contract carefully.

B. Definitions

1. "Component Parts" - the constituent elements of mechanical items as covered by this contract.

2. "Operational Failure" - the mechanical breakdown of "Component Parts."

3. "Proper Working Order" - functioning as intended and expected for its age, and within the safety standards as established by the system manufacturer.

4. "Loss" - the reasonable market cost or the actual cost HSA can contract for the required services, whichever is less, for the repair or replacement of "Component Parts."

5. "Interior" - the space within the external surface area which constitutes the perimeter of the residence's exterior walls; under the roofing materials; above or encased in the basement floor or home's slab, or above the ground surface in a crawl space.

C. Coverage Period

1. **Home seller:** coverage begins on the date HSA issues a contract number and continues for six (6) months, until close of sale or termination of listing, whichever occurs first. Seller coverage may be extended at the sole discretion of HSA.

2. **Home buyer:** for properties involved in a real estate transaction, coverage begins at the close of sale and continues for twelve (12) months from that date. Payment is due at the close of sale.

3. **New construction:** coverage begins on the first anniversary of the close of sale and continues for one or three years from that date. Length of coverage is determined by the premium paid. Payment is due at the close of sale.

4. **Buyer direct:** for properties not involved in a real estate transaction, coverage begins fifteen (15) days after payment is received by HSA and continues for twelve (12) months from that date. Call 1-800-367-1448 for pricing and availability.

D. Customer Service

1. **YOU MUST NOTIFY US PRIOR TO REPAIR OR REPLACEMENT.** When service is needed due to an "Operational Failure," including emergency situations, you are to telephone HSA at 1-800-367-1448, twenty-four (24) hours per day, and seven (7) days per week. Your call may be recorded and/or monitored for quality assurance purposes. This telephone contact shall initiate the service process without the requirement of a claim form or service application. This notification includes the requirement that we have the opportunity to speak with the service contractor prior to the implementation of any repairs. Failure to do so may result in our denial of reimbursement for the expenses you incurred.

HSA shall not be liable for a "Loss" unless notice is given to HSA prior to the expiration of your coverage and the reported "Operational Failure" is professionally diagnosed and the diagnosis is reported to HSA within 15 days after the expiration of your coverage, regardless of when the "Operational Failure" occurred.

2. You shall take every precaution to protect the property giving rise to the "Operational Failure" until the necessary repair or replacement is authorized by HSA and made. Repair or replacement shall be performed within forty-eight (48) hours, under normal circumstances, of an approved claim by a service contractor chosen by HSA, unless a service contractor of your choice is approved by HSA when you report the malfunction or "Operational Failure" by telephone. **HSA selected service contractors must be used on all claims.** Please be aware, HSA may be affiliated with the company or technician performing work under this contract. (Please notify HSA if you have a complaint about an HSA selected service contractor.) **If HSA cannot provide a contractor for you,** HSA will approve the use of a contractor outside of its network. We have the sole right to determine if items will be repaired or replaced. Unless specifically identified elsewhere in this contract, replacement shall be with systems comparable in features, capacity and efficiency; HSA is not responsible for matching dimensions, color or brand. The use of non-original manufacturer "Component Parts", including rebuilt or refurbished parts, is permitted in making repairs under this contract. We will use original manufacturer "Component Parts" when non-original manufacturer "Component Parts" are unavailable. HSA reserves the right to obtain additional opinions at our expense. HSA reserves the right to offer cash in lieu of repair or replacement based on what HSA can expect to pay to repair the failure (parts and labor); this amount may be less than retail or less than your actual cost. Once a failure has been diagnosed, subsequent failures to the same system will be exempt from coverage unless and until proof of repair is submitted to HSA. Proof shall include, but is not limited to, receipts verifying repair and/or replacement.

3. **TRADE CALL FEE:** you are obligated to pay the trade call fee or the actual cost to repair/replace, whichever is less, for each separate trade call. Trade call fee amount is determined by the contract price selected. A trade call means each visit by an authorized service contractor for a single trade (plumbing, electrical, appliances, heating and air conditioning and pools/spas). If multiple visits required to remedy the same problem, you are only required to pay one trade call fee. If service work performed under this contract should fail, then HSA will make the necessary repairs without an additional trade call fee for a period of 90 days on parts and 30 days on labor. Your payments must be made prior to completion. We will not respond to a new request for service when any previous trade call fee is outstanding. Failure to pay the trade call fee will result in suspension of service until such time as the proper fee is paid. At that time, service coverage will be reinstated, but the service period will not be extended. Additional work performed by the independent service contractor at your request will be at your sole cost and risk.

In the case of a denied claim, you will be responsible for, in addition to the trade call fee, any overtime charges incurred and/or charges incurred to provide access to the failure. HSA will request your approval prior to work involving overtime or accessing charges. Your refusal to approve these potential charges may cause a delay in service or the inability to diagnose the failure and determine coverage availability.

4. When you select the service contractor, you may be required to pay them directly and seek reimbursement from HSA if the service contractor will not bill us. HSA is not responsible for overtime service rates unless we determine a life threatening or property damaging "Operational Failure" has occurred. HSA will reimburse you for your approved coverage, subject to applicable trade call fee(s) within 30 days of receipt of a paid invoice from the service contractor or other proof of payment acceptable to HSA. Claim documentation and any correspondence can be faxed to HSA at 1-877-638-1741 or mailed to 1861 Ludden Dr., Cross Plains, WI 53528.

HSA is not responsible for these charges. If the 7 Star Upgrade package is purchased for/by the buyer, HSA will pay the cost to dispose of defective equipment on HSA approved system replacement. **14.** Equipment, items or systems that are owned by a condominium association or designated as common area in condominium declarations, plats or plans. **15.** More than two central heating units, central air conditioning units or garage door opener systems unless specifically listed and approved by HSA. More than one of any appliance, including water heater, unless specifically listed and approved by HSA. **16.** Repairs related to manufacturer recall or defects. In the event that there is other collectible insurance, manufacturer warranty or in-house warranty or guarantee coverage available to you covering an "Operational Failure" that is also covered by this contract, our coverage shall be in excess of, and we will not contribute with, any other insurance, warranty or guarantee. **17.** HSA is not responsible for repair or replacement of systems or appliances classified by the manufacturer as commercial. G. Building Codes

HSA is not responsible for any upgrades, work or costs required to comply with any federal, state or local laws, regulations or ordinances or utility regulations, or to meet current building or zoning code requirements, or to correct for code violations. If the 7 Star Upgrade package is purchased for/by the buyer and the correction of code violation(s) is required to affect a covered repair or replacement of a heating, plumbing or electrical "Component Part," HSA will pay up to \$250 aggregate to correct the code violation(s). HSA will not pay simply to remove the violation. Please reference Section E. 6 - Central air for specific information regarding air conditioning coverage and federal regulations. Under the terms of this contract, an air conditioner electrical whip and disconnect are deemed part of the central air system. HSA is not responsible for service when permits cannot be obtained, nor will it pay any costs relating to permits. If the 7 Star Upgrade package is purchased for/by the buyer HSA will pay the cost for obtaining permits for HSA-approved repairs and replacements up to \$250 per occurrence.

H. Cancellation, Transfer, Renewal

The warranty is non-cancelable by either party except for the following: **A.** The contract fees are not paid. **B.** Fraud or misrepresentation of facts material to the issuance of this contract. **C.** If the contract provides coverage for the seller during the listing period and the listing is withdrawn or expires. Should this contract be cancelable under the laws of the state where the contract holder resides, an allowable administrative fee will be charged upon cancellation.

Seller coverage under this contract is not subject to transfer and is not subject to renewal.

In the event of a transfer of the legal title and ownership of the covered residence during buyers' coverage, the remaining term may be assigned to the new homeowner. The assignee takes the warranty on the same terms, conditions, and expiration date as the assignor. The warranty is renewable, by mutual consent, at prevailing rates for an additional 12 month period from the date of the contract expiration. HSA may, at its option, decline to issue any renewal or cancel any contract, if the contract fees are not paid within 10 days of the due date. **Note:** if you have selected a monthly payment plan, your contract will automatically renew at the expiration of this contract period. **Renewal customers:** payment of the first installment on the renewal year premium constitutes your consent.)

I. Agency

Neither the real estate broker nor the broker's sales representative is an agent of HSA. Coverage is strictly determined by the warranty contract and not the representations of the real estate professional.

J. HSA's Rights of Recovery

In the event of any payment under this contract, HSA shall be subrogated to all of contract holder's rights of recovery against any person or organization. You shall do nothing after loss to prejudice such rights. The company shall not be bound to pay any loss if you have impaired any right of recovery for loss.

WAIVER: Purchase of this coverage is not mandatory. HSA is not the only warranty available. No other services are contingent upon the purchase of the warranty. I have reviewed the Home Warranty Protection plan and hereby decline coverage. I agree to hold the real estate broker and real estate professional harmless in the event of a subsequent mechanical failure which otherwise would have been covered under the warranty plan.
